

GROOMIN N ROOMIN

Doggie Daycare Rules

- We will need you to fill out one of our behavior questionnaires. To find out more information about your dog(s).
- All dogs must be up to date on all their vaccines. (DHLPP, Rabies and Bordatella.)
- Then your dog(s) will need to schedule a one on one interview with our staff to see if your dog(s) are eligible for daycare.
- Your dog(s) will then be tested to see how well he/she interacts with the other dogs.
- This will determine whether or not your dog(s) can participate in our Doggie Daycare. Now if your dog(s) fails the interview process, it doesn't mean there is something wrong with your dog(s). Some dogs just don't do well in this type of environment.
- For the safety of the other dogs, we can't accept an aggressive dog. If your dog begins to exhibit an aggressive behavior while at our Daycare, we will have to put your dog(s) on a time out and let you know about the incident. Our staff will try to work with you and your dog to try to find out why he is acting this way. If he/she continues acting this way, he/she will not be able to come back.
- If you wish your dog(s) to be feed while here, you must bring your own food. We will offer them treats throughout their stay unless you specify otherwise.
- You are not allowed to bring your dog's favorite toy, and we will provide comfy beds and blankets for them to lie on.
- If your plans change and you will not be dropping your dog(s) off at our daycare we ask for a 48 hour advance notice. After the third "No Show" you will lose your spot.
